Introducing one of the
most *powerful, cost-effective*
health management
solutions in the industry.

AVIVIA *Select.*

Top-quality Disease Management and Wellness
programs for as little as 50¢ per member per month.

At Avivia Health From Kaiser Permanente, we know mid- to large-sized companies like yours are searching for affordable, quality health management solutions. But in today's tough economic times, cost is especially critical. That's why we're introducing Avivia Select.

Avivia Select was specifically designed for organizations with 5,000+ members. This innovative product consists of three pre-packaged Disease Management and Wellness solutions powered by Kaiser Permanente's 60 years of evidence-based care. Tier One offers a Web 2.0 platform that empowers members to access their information at any time. Tiers Two and Three build on that with increasing degrees of analytics, engagement, and reporting, including the most credible ROI metrics available.
